

Free Speech and Language Screenings

- The National Student Speech Language Hearing Association is offering free speech and language screenings at the Communication Disorders Clinic at FAU!
- Screenings for both adults and children will be administered by graduate student clinicians and supervised by licensed faculty members.
- Student clinicians at FAU's Communication Disorders Clinic treat individuals with a variety of disorders including articulation, language, disfluency, aphasia, apraxia, and dysarthria, among others.

November 7th, 10am – 3pm

4th floor | College of Education
