UNIVERSITY SCHOOL**

A.D. HENDERSON/FAU HIGH OWLS!

A.D. Henderson is proud to announce that Florida Atlantic University is allowing us to align our mascot with the University. This tangible change is a natural transition as our academic, athletic and extracurricular programs have enjoyed five decades of support from our outstanding University. This support has served as the catalyst to our achievement both in the classroom and on the playing fields. More than ever, we look forward to our future with the support and guidance of our Florida Atlantic University.

School uniforms, club shirts, and team uniforms will undergo a reasonable transition period.
