Florida Atlantic University's Pine Jog Environmental Education Center recently held its annual Green Gala fundraiser. This year's theme was A Masquerade Ball. Guests dressed in costume with elegant masks and, if they did not arrive with one of their own, were provided a mask handmade by the students of Pine Jog Elementary School. The event was held at the West Palm Beach Marriott and included dinner and dancing, as well as, silent and live auctions.

"I am so excited and humbled by the overwhelming turnout and support demonstrated at this year's Green Gala Masquerade Ball," said Ray Coleman, the Center's Executive Director. "Not only was this event a tremendous amount of fun, but the nearly \$60,000 raised will assist Pine Jog Environmental Education Center to continue our critical work teaching children and adults to conserve, protect and enjoy our natural world."

Pine Jog wishes to thank its sponsors, auction donors, guests, volunteers and everyone that helped to make the event a success. If you would like to find out more about Pine Jog or make a contribution, please visit Pine Jog's website at www.pinejog.fau.edu.
