Kick Butts: The Walking Dead

March, 19th, 2014-The zombies are coming to town with a tobacco free message!

The American Lung Association, Florida Atlantic University's Exercise Science and Health Promotion Club (ESHP) and The Tobacco Free Task Force along with other student clubs and community partners are hosting a Kick Butts Day: The Walking Dead.

The theme of the Kick Butts Day is the Walking Dead, where students will dress up as "zombies" and pass out tobacco related facts and information. There will also be a cemetery display with tombstones showing the "deadly facts of tobacco".

Along with the information there will be tobacco trivia games, raffles and giveaways. This event is to raise awareness of the dangers of tobacco and show support for a tobacco free university. The event will be held on the Florida Atlantic University Boca Raton campus in the breezeway by Starbucks.
